9 th Grade	15	12	3	3
10 th Grade	10	4	6	6
11 th Grade	4	4	1	1
12 th Grade	2	2	0	0

The board has declared the number of openings we have for the beginning of the school year. Typically, the board would just declare the openings that didn't get filled under Open Enrollment as being open for transfers. However, there are a few spots that the schools would like to open under transfers for the 2018-19 school year beyond the remaining Open Enrollment openings.

The board approved 15 openings to transfer out of the district.
