

Meeting Notes for Long Ago at Lutherwood planning meeting on 3/21/17

In attendance: Sara Probert, Kelli Massey, Tara Jo Hayes, Deena McDonald, Wendy Thelander, Jolene Peterson, Terrie McFadden

We reviewed the minutes from the meeting on January 31st and there were no changes or additions to them.

Terrie presented the tentative budget document and it was discussed how much costs have increased since the 2015 outdoor school. Fortunately the funds exist to support the increase this year.

Terrie shared the updates which included that Sarah Goracke will be the station master for the Pioneer Challenge station, Sally Crum will be the station master for the Old Time Sports & Games station and Bretagne Dow-Hygelund will be the station master for the Treasure Hunt station. Cabela's hasn't returned our calls about Archery so Terrie will ask Tina Nash to try and get some results.

After the third grade field trip to the Singing Creek Educational Center, Wendy, who went on the field trip, shared that we could provide what they did at no cost. They want to charge us \$240.00 for one day with two presenters and not include preschool and kindergarten. Wendy suggested we contact Pony Gilbert, a Native American story teller, instead.

The group in attendance went through the art that was submitted for the outdoor school t-shirt and made selections for this year's shirt. We selected art from several of our students. Terrie will get the final design to the company next week. T-shirt orders need to be returned by April 28, 2017.

Deena said she and her mother would look for buff fabric on Spring Break at JoAnn's Fabric and report back their findings at the next meeting.

Next meeting will be April 18, 2017 in the media center.
