

At Territorial our mission is to...

build students with strong character, positive attitudes, collaborative team work, and effective study skills.

Vision

Territorial Elementary staff will meet students where they are to build strong character, positive attitudes, collaborative team work, and effective study skills.

- To build strong character, we will recognize and encourage positive behavior.
- To encourage confident attitudes we will model a growth mindset in students, staff, and community members.
- We will provide opportunities to collaborate and work together to develop critical thinkers and problem solvers.
- Students will develop effective study skills as they demonstrate careful listening, following directions, and doing a job they are proud of.

We will sculpt a community of vibrant, joyful, and increasingly independent lifelong learners.

Bobcat Chant...

All staff and students gather on Monday mornings in the cafeteria for the Pledge of Allegiance, announcements, recognitions, and the Territorial Bobcat Chant. This helps us to develop a sense of school community.

Territorial Bobcats means Be our Best (BOB)

What does that look like?

Good Character, (doing what is right even when no one is looking),

Good Attitude (kind thoughts, kind words, kind actions, kind feelings),

Good Teamwork (working together and doing your fair share),

Good Study skills (Careful listening, following directions, and doing a job you are proud of).

Territorial Elementary

*"The small school with a big heart,"
where a caring staff and an active parent
group work together to bring enriching
experiences to your child.*

School Readiness

- Positive Behavior Intervention and support
- USDA Breakfast and Lunch Program
- Onsite Preschool and Childcare
- Kid's in Transition to School Program

Territorial Elementary students generally place above state average, or even exceed the standards measured in the areas of Science, Math, and ELA. Our highly qualified teachers work hard to provide instruction that is engaging and aligned to standards, using guaranteed and viable curriculum.

In addition to positive academic outcomes, Territorial Elementary school has much to offer the students and families of Junction City, including a welcoming small school environment, and a higher rate of parent involvement.

Territorial is a great place to grow, learn, and be. It is our vision to **sculpt a community of vibrant, joyful, and increasingly independent lifelong learners.**

Academic Support

- Bilingual/ELL Program
- Special Education Program
- Response to Intervention Program
- Speech Program

"On the strength of a solid working relationship between a dedicated faculty and a highly involved group of parents, my child enjoys the educational benefits of a private school in the real-world setting of a public school. Territorial Elementary really is the small school with a big heart and the big brain!"

-April Mitchell, former TPA officer and Territorial parent

Academic Enrichment

- Talented and Gifted Program
- Music Program
- Physical Education
- School Recycling Program
- CATCH program

Students participating in a STEM lesson

After School Programs

- LEGO League and LEGO club
- Garden Club
- OBOB
- Year book

TPA Sponsored Events

- Jog-a-thon
- Taste of Territorial, Art and Dinner
- Bingo Night
- Talent Show
- Harvest Festival
- Holiday Bazaar
- Grandparent's Day
- All-School Track Meet
- Project Fair
- Outdoor School

Territorial Parent Association is an integral part of our school. They are involved in and out of the classroom as they work with staff to create memorable experiences for students.
