Job Corps is the nation's largest career technical training

and education program for youth ages 16 through 24.

Students can earn a high school diploma, a high school equivalency credential, or college credits through Job Corps.

The also offer career technical training in more than 100 career areas. Students receive housing, meals, basic health care, a living allowance, training, and preparation for a career, all at no cost.

For up to 21 months after graduation, a career transition counselor will help your student make the transition from Job Corps into the real world.

If you are interested in learning more about the Job Corps program, plan to attend a brief orientation in the Counseling Center **February 21st from 10:35 – 11:05** (TEAM class).
